Verse 1

G D C G D G
Start the new day the right way... get down on your knees and pray
G D C G D G
Praise the Father cos there's no other... His love carries us away
G D C G D G
He'll always be there, so evil beware... God is watching over us today
G D C G D G
We won't be lonely, the One and only... will be with us all the way

Intro

Verse 2

G D C G D G
Start the new day the right way... get down on your knees and pray
G D C G D G
We turn to Jesus, we know He sees us... He's the truth, the life and the way
G D C G D G
I can bet you, He won't forget you... It doesn't matter if the skies are grey
G D C G D G
Come Lord Jesus, come be with us... Your love washed our sins away

Chorus

D
Before we start each day, we'll turn to God and pray
D G
He hears each word we say, His word shows us the way

Intro

Verse 3

G C G D G
Start the new day the right way... get down on your knees and pray
G C G D G
Come Holy Spirit, come guide us through it... Holy Spirit guide us through the day
G C G D G
You're the power in every hour... You're the strength to follow the way
G C G D G
It makes us tremble, that we're Your temple... Come and fill our lives today

Verse 4

G **C** **G** **D** **G**
Start the new day the right way... get down on your knees and pray
G **C** **G** **D** **G**
Take a good look, in the Good Book... The Word of God is the only way
G **C** **G** **D** **G**
Not only bread will keep us fed... But every word that God has to say
G **C** **G** **D** **G**
When we're down life can be found... The Word of God will show us the way

Chorus
