Intro

Am

Verse 1

Am

The road is long and the going is tough
I don't feel like I'm strong enough
The mountains are high and the rivers are wide
How am I gonna reach the other side?

F Em-D

Verse 2

Am

Trials and tribulations keep getting in the way
I dunno how I'm gonna keep the wolves at bay
Even when there seems to be no reason or rhyme
I'm gonna run this race one step at a time

Pre-chorus 1

F

I'm never giving up what God wants me to do

Em D

I'm gonna run this race I'm gonna see it through

Chorus 1

Am

*I'm a new creation, tribulations take me higher
I'm a new creation, gold is purified by fire*

F Em-D.... Intro

Verse 3

Am

Trials and tribulations keep getting in the way
I dunno how I'm gonna keep the wolves at bay
Even when there seems to be no reason or rhyme
I'm gonna run this race one step at a time

Pre-chorus 2

F

I'm never giving up what God wants me to do

Em D

I'm gonna run this race I'm gonna see it through

C

I'm gonna cross the line, I'm reaching for the everlasting prize
